1. Terms & Conditions

For Mierae Solar Energy Private Limited

 Authorized Signatory
 (Bikash Kumar Paswan)

<https://mierae.com> | Email: solar@mierae.com | Phone: 9070607050

Terms & Conditions

1. The customer needs to submit the required documents for registration, feasibility approval, load enhancement, net metering, commissioning of the residential rooftop solar system.
2. Shadow free space of 300 square foot should be available on the top terrace of the house.
3. A standard structure dimension of 12x16 feet having elevation of 2.5 feet height at lower side and 4 feet at higher side will be included with this price. Extra elevation beyond the standard will be charged @1000/feet.
4. 20 meters of DC cable, 20 meters of AC cable and 30 meters of Earthing cable will be included with the price. Additional cable required/used while installation will be charged at ₹80/meter.
5. 90% of the total price is to be paid as advance and 10% will be paid after installation of system. The applicable subsidy amount will be credited directly to consumer's bank account (provided by at the time of registration) after completed installation and commissioning of system (Net-metering and inspection by Discom). The company has no role in disbursing the subsidy amount, however, proper facilitation will be provided for the same.
6. Suitable brand warranty for Panel and Inverter will be provided by the brand and 5 years of free service will be provided by Mierae Solar Energy.
7. Any civil work required during installation such as cutting of concrete for earthing, structure mounting, cementing of legs for extra strength, etc. will be done by customer.
8. Solar Panel Insurance (5 Years), Government charges for net-metering, Maintenance Charges (5 Years) such as regular cleaning of panels, Documentation Charges for name and address correction, any other will be paid by customer on actual basis.
9. The customer agrees to share required documents such as Photo, Aadhaar Card, PAN Card, Electricity Bills, Bank Details, etc. for official use.
10. The customer agrees to cooperate and provide full support during the registration, installation, and commissioning of residential rooftop system.
11. The order can be confirmed by depositing the advance 90% of the price i.e., ₹1,98,000/- to the company bank account details given below:

Bank Name	IDFC First Bank Limited
Beneficiary Name	Mierae Solar Energy Private Limited
Account No	10209751457
IFSC	IDFB0020142
Branch	Saket, New Delhi

In case, the customer wants to avail financing option, the company will facilitate processing of bank loan, however, the loan approval purely depends of the customer's profile and eligibility criteria as decided by the bank/Lender. The order will be treated confirmed when the loan is sanctioned and amount is credited in the company account by the Bank/Lender.

12. The installation work will be completed within 15 days of confirmation of order.
13. Any other conditions as applicable by the company time to time.
